

Expo 2015: with Gicex against Mafia infiltration

This morning Deputy Police Chief Fulvio della Rocca arrived in Milan, together with Prefect Paolo Tronca and Police Commissioner Luigi Savina to supervise the prevention and security system set up for Expo 2015. In particular, Prefect Fulvio della Rocca met the members of Gicex, an interagency centre set up for Expo 2015 with the task of monitoring the building of infrastructure. The centre is composed of police experts in the fight against Mafia infiltration into public works.

They also visited the construction sites of Expo 2015 in Rho-Pero, where an international control room will be set up under the coordination of the International Police Cooperation Service (SCIP) of the Criminal Police Directorate.
